## About us

Impetus transforms the lives of young people from disadvantaged backgrounds by ensuring they get the right support to succeed in school, in work and in life. We find, fund and build the most promising charities working with these young people, providing core funding and working shoulder-to-shoulder with their leaders to help them become stronger organisations.

## About our events

Help us back the best for disadvantaged young people by getting involved in one or all of our events throughout the year.

Our team are on hand to help you every step of the way. From helping you get registered, to offering training tips and supporting your fundraising efforts. We'll even throw in your own Impetus running or cycling jersey!

## Other events

Can't find what you're after? If you have your own place in an event that's not listed, why not fundraise for Impetus by setting up your JustGiving page?

Some other popular events across the UK include; Virgin Money London Marathon, Brighton Marathon, London Landmarks Half Marathon and Tough Mudders.
